## What you need

| | | |
|---|---|---|
| A | **Muslin**<br>blocks | **5 1/2 yd** |
| B | **Indigo**<br>blocks, border, binding | **3 7/8 yd** |
| C | **Mustard**<br>blocks | **1 yd** |

| | |
|---|---|
| **Backing** | 8 1/4 yd of 42"-wide fabric |
| **Batting** | 98" × 110" (a king package) |
| **Binding** | 10 strips 2 1/2" x WOF from fabric B (included above) |

Yardage is for 42" of usable width after trimming selvages and includes a little extra for straightening and shrinkage. Check your fabric width before you buy.

# Cutting

Cut strips selvage to selvage across the width of fabric (WOF), then sub-cut. Label the pieces with their fabric letter as you go. All measurements include 1/4" seam allowances.

## A Fabric A: Muslin

# Make the units

**224 quarter-square triangle units, 4" finished**

1. Cut each 5 1/4" square twice on the diagonal (an X) to make 4 triangles.
2. Sew the triangles in pairs along their short sides, then join two pairs, matching the centre seams.
3. Each unit measures 4 1/2" unfinished.

## The block: Ohio star

### Make 56 blocks

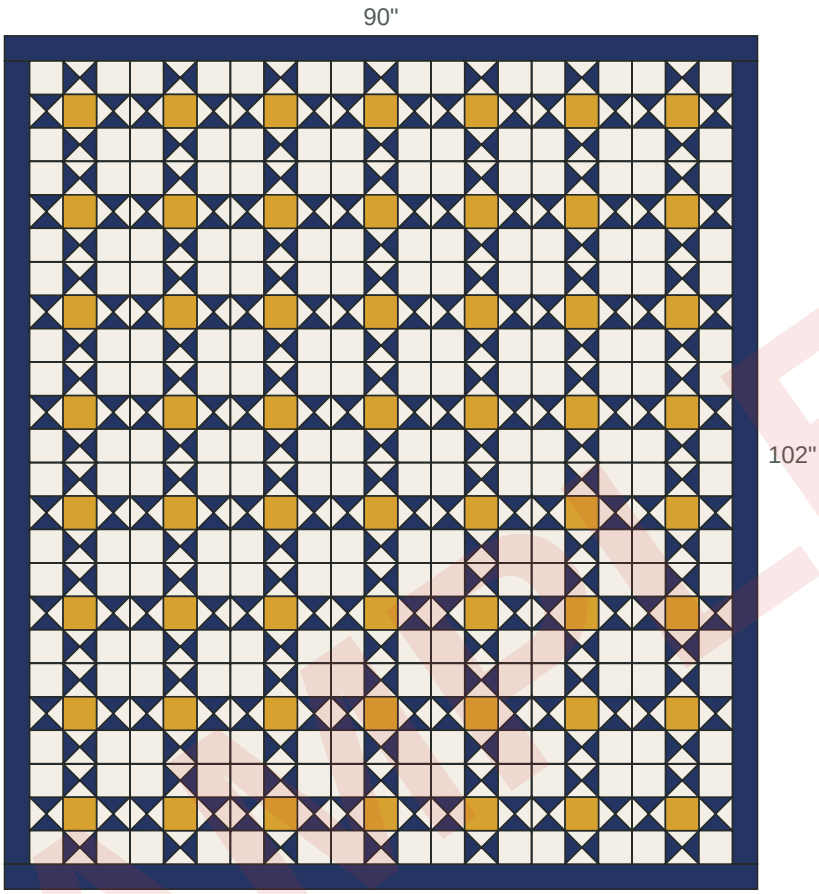

Each block measures 12 1/2" square before it is sewn into the quilt (12" finished).

1. Lay out the pieces and units as shown.
2. Sew them into rows, pressing seams in alternate directions row by row.
3. Join the rows, matching seams.

Letters show which fabric goes where.

# Put the quilt together

1. Lay out the blocks in 8 rows of 7.
2. Sew the blocks into rows, pressing each row the opposite way to the one above, then join the rows.
3. Add the border (fabric B): measure through the middle of the quilt, sew on the sides first, then the top and bottom.

## Finish

1. Backing: cut 3 lengths of 98", trim off the selvages and sew them together with 1/2" seams, seams running across. It should measure at least 98" × 110".
2. Layer the backing (right side down), batting (98" × 110") and quilt top (right side up). Baste and quilt.
3. Binding: join 10 strips 2 1/2" x WOF end to end with diagonal seams, press in half lengthwise, sew to the front with the raw edges together, mitre the corners, then fold over and hand-stitch to the back.
